

# Save Time Open a Midland IRA Account Online

**The fastest and easiest way to open an IRA is online**

Open your IRA in minutes by going to **apply.midlandira.com**. Our online application walks you through every step to completing your application. The “click to sign” feature makes opening an account easy. Why do it any other way? Open an account online today!

**APPLY NOW:** [apply.midlandira.com](https://apply.midlandira.com)

## Items to gather before beginning your application

- A valid ID such as a driver's license or passport** (if using a passport, please email, fax, or text us a photo of the passport)
- Account statement from your current retirement plan** (if moving funds from an IRA, or an employer plan such as a 401(k), pension, etc.)
- Beneficiary information** including: social security number and address

After electronically signing the online application, please print and sign the documents (including signature card and transfer form). Once signed, send back to Midland via fax, email or secure upload ([midlandira.com/secure-upload](https://midlandira.com/secure-upload))

## About Midland IRA

Midland IRA has been servicing investors nationwide since 2002. With offices in Chicago and South Florida, Midland provides custody for over \$1.5 billion in client assets. Our well trained staff is eager to assist you with your IRA and investment needs.
